

Annual Report (2023-2024)

Government PG College, Ambala Cantt

Introduction

Government Post Graduate College, Ambala Cantt, located centrally, stands as a distinguished institution in the realm of higher education within Haryana. With a steadfast commitment to its vision, the college endeavors to excel academically by fostering a holistic learning environment. It aims to provide inclusive and dynamic educational experiences, ensuring access to quality higher education. The college aspires to nurture future leaders and nation-builders by engaging students in meaningful knowledge pursuits and research activities. Moreover, the institution places a strong emphasis on instilling core values such as honesty, tolerance, trust, and responsibility in students, both in academic and social spheres, thereby contributing to their holistic development.

The College caters to both urban and rural students, boasting a prime location just half a kilometer from the ISBT and Ambala Cantt Railway Junction, ensuring easy access for all stakeholders. Spanning 6.5 acres, the campus offers comprehensive infrastructural facilities for students and staff. The College has 49 classrooms, including 8 smart classrooms, 4 computer labs, an English Language Lab, 17 subject-specific labs, and 6 ICT-enabled classrooms. Additionally, it has a sports ground, a mini gymnasium, an open-air gym, an auditorium, an ICT-enabled seminar hall, a conference room, and a girls' common room.

The campus also includes well-maintained parks, RO water facility, and separate toilets for girls, boys, and staff on almost every floor, a parking area, a canteen, a fully furnished and ventilated staff room, departmental rooms, a well-equipped administrative block, and a library with access to the INFLIBNET database. These features collectively contribute to the College's excellence in providing a supportive and resourceful educational environment.

At the undergraduate level, the College offers three main streams: Humanities, Sciences, and Commerce. In addition, it provides a vocational course in Computer Application and professional courses in Business Administration, Tourism Management, and Mass Communication and Journalism. Students in the Humanities stream can choose from 13 different subjects. The Commerce stream offers General, Honours and Computer Application options. For the Science stream, students can select from Medical, Non-Medical, and Computer Science tracks.

The College also offers postgraduate courses in Hindi, English, Punjabi, History, Economics, Geography, and Commerce. In addition to these courses, the College provides five certificate courses approved by the State Government. Recently, the College introduced a new programme in B.A. Honours Political Science.

The College has consistently performed well and maintained high spirits. With a credible history spanning 25 years, the College attracted over 1,500 new students across various undergraduate and postgraduate courses in the 2023-24 session. The total student enrollment for the session reached an impressive around 4,000. Notably, the substantial number of female students enrolled in various courses highlights the College's commitment to providing a safe and gender-sensitive environment.

The robust infrastructure and diverse academic offerings have played a pivotal role in this success. The College emphasizes on holistic development, including extracurricular activities and professional courses, and ensures that graduates are well-prepared for their future endeavors. This blend of academic excellence and comprehensive student support makes the College a preferred choice for higher education.

A dedicated and diligent team of 123 teachers (comprising 82 regular faculty, 4 guest faculty, 34 extension lecturers and 03 instructors), supported by a non-teaching staff of 29 (including lab attendants and computer instructors, both regular and contractual), ensures that classes are conducted regularly for students in both offline and online modes. This is done in accordance with government directives and under the competent guidance of the Principal.

As a government institute, the College receives several annual Grants-in-Aid for various activities and purposes, including the Library Grant, Passport Grant, Women Cell Grant, Road Safety Grant, Grant for the Augmentation of Laboratories, and the Earn While You Learn program. During the 2023-24 session, the College received a total of ₹ 9,02,000 in grants. Additionally, the income generated through all the funds during this session amounted to ₹ 2,27,03,276, with an expenditure of ₹6,26,14,873 from these funds, certified by the Chair.

Additionally, the College signed three Memorandums of Understanding (MoUs) with renowned institutes and universities, fostering collaboration in academic research, student and faculty exchange programs, and joint seminars and workshops. This enhances the educational experience and expands opportunities for students and staff. These significant achievements highlight the College's dedication

to academic excellence, continuous improvement, and its proactive approach to building strong networks and fostering a global perspective.

COMMITTEES, CELLS AND CLUBS

Decentralization of power and the sharing of responsibility can breathe life into an institute, fostering a workforce characterized by mutual bonding, respect, and harmony. At the College, the administration operates through a variety of Committees, Cells, and Clubs, which are allocated annually to the staff at the beginning of each new session. The achievements and activities of these Committees, Cells, and Clubs are as follows:

1. EARN WHILE YOU LEARN COMMITTEE

Conveners: 1. Mr. Lucky Verma (Boys)

2. Dr. Rekha Batta (Girls)

The Earn While You Learn Committee of the college worked earnestly and provided opportunities to the college students to develop a habit of income similar to a means of livelihood by showing their skills in different cells, committees, and departments. Total 70 students got the benefit under this scheme. The total amount granted to accomplish the tasks during the session 2023-2024 was 70,000/- (seventy thousand rupees only).

- On the 12th of April 2024, the college team delivered a compelling Skit performance at Herbal Park Ambala City, aimed at spreading awareness about election and voting rights among citizens. The event was graced by the

esteemed presence of ADC Madam Aparajita, City Magistrate Vishwajeet Singh, and DHEO Madam Khushila, adding significance to the occasion.

- On the 20th of April 2024, the college organized a Slogan Writing Competition, attracting participation from 7 students.
- Collaborating with French Yard, the college conducted a Seminar cum Workshop on Electoral Issues on the 23rd of April 2024. Led by Madam Varinda Aggarwal, the session engaged approximately 100 students from various institutions.
- Wrapping up the series of events, an Essay Writing Competition took place on the 25th of April 2024. With a choice of topics related to electoral literacy and voter awareness, 12 students participated with enthusiasm.

8. CCTV/BIOMETRIC/ LEASE LINE/BROADBAND/VIDEO-CONFERENCE COMMITTEE

Convener: Dr. Malika Bhiyana

Nodal Officer: Sh. Ashok

The committee took responsibility for the distribution and maintenance of the wired LAN network throughout the College, ensuring that the 50 MBPS leased line provided by BSNL was fully distributed and utilized. This made internet connectivity accessible across various departments and cells within the College. In addition to this, new CCTV cameras were installed to improve surveillance and security on campus. These combined efforts significantly contributed to creating a more efficient and secure operational environment within the College.

9. COLLEGE WEB PORTAL/IUMS COMMITTEE

Convener: Sh. Ashok

- The college provides online access to students and other stakeholders through two different websites. The first website (**gcambalacanthry.edu.in**) is managed by DGHE, Panchkula and second website (**gcambalacanthry.ac.in**) is managed at the college level.
- Regular maintenance of college website (**gcambalacanthry.ac.in**) was accomplished; server hosting was also renewed for one year.
- Both websites of the college were updated regularly and timely for the benefits of students and staff.
- A range of critical academic processes—student registration, university examination form filling, uploading of photographs and signatures, internal

assessment, and external practical evaluation—were seamlessly and timely executed on the IUMS Portal of Kurukshetra University, ensuring smooth academic administration and compliance with university guidelines.

- College organized its annual sports meet on February 28th to 29th, 2024, with nearly 200 students participating in various events, including track races, relay races, discus throw, shot put, long jump, triple jump, and high jump. The meet also saw enthusiastic participation from staff members, with around 20 staff members participating in the 100M race for male and female staff and around 10 non-teaching male staff members participating in the 100M race for non-teaching staff. Principal Khushila Devi graced the inaugural ceremony as the chief guest, while Principal Mr. Sanjay Sharma was the chief guest of the valedictory ceremony. Mr. Kartik Sharma (BA 1st year) and Miss. Mehar (BA final) were declared the Best Athletes of the college.

FACULTY ACHIEVEMENTS FOR THE SESSION 2023-24

In alignment with the adage that perfection may be elusive but striving for it leads to excellence, the institute remains steadfast in its commitment to student engagement and quality learning. Throughout the academic session of 2023-24, the faculty of the College were also deeply engrossed in scholarly and creative pursuits. They pursued research endeavors, both individually and collaboratively, delving into new realms of knowledge within their respective fields. Their contributions to academic publications, including papers, articles, and books, served to disseminate valuable insights and discoveries to a wider audience. Actively participating in conferences, seminars, and workshops at national and international levels, faculty members shared their expertise and forged connections within the academic community. Employing innovative teaching methodologies, they sought to enhance the learning experience, utilizing technology and interactive methods to captivate student interest and facilitate deeper understanding. Additionally, faculty members provided invaluable mentorship and support to students, guiding them in their academic endeavors and personal growth. Their dedication extended beyond the classroom, as they engaged with the community through various outreach programs and collaborative initiatives, embodying the College's commitment to social responsibility. Overall, the unwavering dedication and efforts of the faculty have played a pivotal role in upholding the College's standards of excellence and nurturing a dynamic learning environment. A brief overview of the work carried out by faculty members is discussed below.

Department of English

Dr. Anju Jagpal made significant contributions in 2024 through both her research and participation in various academic activities. She published a research paper titled "The Pregnant King: A Contextual Rereading" in the International Journal of Applied Research in January 2024. In addition, she presented a paper titled "Queering the Indian Myth: A Study of the Pregnant King" in the One-Day National Seminar on LGBTQ+ Subtext in Literature held at Government PG College, Naraingarh on March 20, 2024. Dr. Jagpal also participated in several online national-level faculty programs, including those on topics such as the Prevention of Sexual Harassment Act, Environmentalism, Ecocriticism, Contemporary Mythic Theory, and Indian Literature. Furthermore, she received the prestigious "Nation Builder Award, 2023" from Rotary India Literary Mission for her valuable contribution to national building as a teacher. She also attended a Training-cum-

Workshop on “Mission Haryana Karamyogi” organized by Haryana Institute of Public Administration (HIPA) on June 27, 2024.

Dr. Roopa Gupta has actively participated in academic events, furthering her expertise and contributions to the field. She attended a one-day workshop on “Converting Innovation into Startup” organized by the Institution Innovation Council at Government PG College, Ambala Cantt, in August 2023. She also presented a research paper titled “Savitri and its Universal Relevance” at an online national-level conference on Indian Writing in English on December 23, 2023. Additionally, her research paper “Soothing Showers on Parched Minds: Significance of Aurobindo Ghosh’s Savitri” was published in the Book of Proceedings by Chronicle Books in 2023.

Dr. Vinod Kumar has demonstrated an active academic engagement in 2024. He received his Ph.D. in English from HPU Shimla on September 1, 2023. He published a research paper titled ““Theme of Land Appropriation in Haryanvi Society by Rajender Badgujar in Hamari Jameen Hum Boange!” in October 2023. Dr. Kumar participated in several important academic workshops, including a 7-day Multi-Disciplinary Short-Term Course at Government PG College Ambala Cantt and various programs related to the Indian Knowledge System in January 2024. He presented a research paper at the Punjab History Congress on agrarian movements in Punjab in April 2024 and attended a Refresher Course at HRDC, Panjab University, Chandigarh, in February 2024.

Dr. Pooja Goyal made significant contributions through both research and academic participation in 2024. She presented a paper titled “A Debate on Homo-Hetero Sexuality: A Study of Indian Cinema” in an online national seminar on LGBTQA+ Subtext in Literature organized by Government PG College, Naraingarh on March 20, 2024. She also attended a one-day workshop on “Mission Karmayogi Haryana” organized by Haryana Institute of Public Administration (HIPA) on June 26, 2024.

Sh. Gurvinder Singh made a notable contribution to academic publishing and research in 2023-2024. He published an edited book titled “Multidisciplinary Aspects of English” through Vertex Research and Technology in Chennai (2023). Additionally, he contributed research papers such as “Bridget Jones's Diary: The Progression of Feminism to Post-Feminism” and “Breaking the Chains of Marginalisation: Lessons from Om Prakash Valmiki's Joothan” in the edited book Post Colonialism and Indian Literature: An Anthology of Critical Essays (2023). Gurvinder also published papers in various books, including “ICT Decision Making in Organizations: Strategies and Implications” and “The Need for Business Aspects in the Trend of Online English

Classes in the Present Day” (2024). In addition to his academic work, he organized a two-day workshop on Research Methodology in November 2023 and participated in a 7-day Multidisciplinary Short-Term Course in January 2024.

Sh. Munish Trighatia was actively involved in several academic events in 2024. He participated in a One-Week Online National Level Faculty Program on Environmentalism and Ecocriticism and presented a research paper on “Indian Knowledge System and its Traces in European Literature” at the 7 Days Multidisciplinary Short-Term Course at Government PG College Ambala Cantt in January 2024. Munish also presented a paper titled “Queer Theory: A Critical Analysis on its Implication in Art Historical Reading” in the One-Day National Seminar on LGBTQA+ Subtext in Literature on March 20, 2024. He also published a chapter titled “Impact of NEP 2020 on Rural Colleges” in the book “Rural Development in India” (January 2024). Munish was honored with the “Nation Builder Award, 2023” for his contribution to national building as a teacher and attended the Mission Haryana Karmayogi Training-Cum-Workshop organized by HIPA on June 27, 2024.

Sh. Sunil Kumar contributed to academic research and discussions in 2024. He presented a paper titled “Contribution of Indian English Language and Literature to Indian Knowledge System” in a 7-Day Multi-Disciplinary Short-Term Course in January 2024. He also presented a research paper on “Exploring Yoga and its Ability to Increase Quality of Life at the Present Time” at the International Conference organized by Government PG College, Panchkula in February 2024. Furthermore, Sunil presented a paper titled “Discrimination and Prejudice against LGBTQ People: A Global Perspective” at the online National Seminar on March 20, 2024, organized by Government PG College, Naraingarh. He also attended a Mission Karmayogi Haryana workshop organized by HIPA in June 2024.

Dr. Barjinder Singh presented research on literary and cultural topics in 2023-2024. He presented a paper titled “Literary Genius of Vanavil K. Ravi” at the Two-Day National Seminar on Vanavil K. Ravi's Literature at Central University of Punjab (October 2023). He also presented papers on “Embers of Desire: Deepa Mehta's Fire and the Confrontation of Heteronormative Patriarchy” and “Unveiling Literary Tapestry: Exploring Vanavil K. Ravi's Narrative Universe in Tamil Literature” at various national seminars and conferences in 2024. Dr. Singh attended workshops on Indian Knowledge System and Applied Research Techniques for Young Faculty in Social Sciences in early 2024.

Ms. Kusum Bhatia actively participated in multiple academic programs in 2024. She attended the Seven-Day Multidisciplinary Short-Term Course on Indian Knowledge System (January 2024) and the Mission Karmayogi Haryana workshop (June 2024). Additionally, she participated in various seminars, including one on "Theatre Down the Ages and English Drama" in February 2024, and presented a paper on "A Conundrum of Gender Disparity in Advertisement: The Rhetoric of Globalization" at a National Seminar on Gender Construction, Deconstruction, and Reconstruction in Sports and Media (March 2024). Kusum also presented a paper titled "Tracing the Iconographic Shifts in the Retellings of the Mahabharata Stories" at the 23rd International MELOW Conference (October 2023), and "Construction of the Image of Indian Sports Women in Sports Themed Campaigns" at the Two-Day International Conference on Physical Education (February 2024). She also published a paper titled "Tracing the Iconographic Shifts in the Retellings of the Mahabharata Stories" in the MEJO Journal of World Literature (February 2024).

Dr. Rekha Batta participated in academic programs related to the Indian Knowledge System and Mission Karmayogi Haryana. She attended the Seven-Day Multidisciplinary Short-Term Course on Indian Knowledge System in January 2024 and the Mission Karmayogi Haryana workshop organized by HIPA in June 2024.

Ms. Saroj Bala presented a paper titled "Socio-Economic Challenges in Higher Education: Access, Affordability, and Equity" at a two-day International Conference organized by Ganpat Sahai PG College, Sultanpur, UP, on Excellence in Higher Education: Emerging Concerns and the Road Ahead (October 2023).

Ms. Saroj Duhan presented a paper titled "Role of Education in Explication of Female Identity in Indian English Novels" at the two-day International Conference organized by Ganpat Sahai PG College, Sultanpur, UP, on Excellence in Higher Education: Emerging Concerns and the Road Ahead (October 2023).

Dept. of Fine Arts

Dr. Randeep Singh attended the National Seminar on "Indian Knowledge System and Modern Subjects" on January 10, 2025, at Rajiv Gandhi Govt. College, Saha (Ambala), where he presented a paper on the "Implications of Ancient Indian Education System." He also participated in the National Seminar on "Startups: Opportunities and Challenges in Indian Perspective" on January 18, 2025, at Govt. PG College, Ambala Cantt., presenting a paper on "Startups Opportunities and Challenges in the Field of Visual Arts."

Department of Mass Communication

Dr Baljinder Kaur (Assistant Professor) participated in 7-Day Multi-Disciplinary Short Term Course on “Indian Knowledge System” sponsored by DHE Haryana from January 23-31, 2024 in Govt PG College, Ambala Cantt. And presented a paper titled “Sadharanikaran: Communication Theory in Indian Perspective”. Attended a Webinar “Sambhav – Sustainable Advancements for Modernizing Bharat’s Food Processing Vision” organized by NIFTEM-K held on March 28, 2024. Also participated in One-Day “Karmyogi” training organised by Haryana Govt.

Mr. Dharamvir Singh (Assistant Professor) participated in 7-Day Multi-Disciplinary Short Term Course on “Indian Knowledge System” sponsored by DHE Haryana from January 23-31, 2024 in Govt PG College, Ambala Cantt.

Sh. Hitesh Bhardwaj (Assistant Professor) attended a Seven-Day Multi-Disciplinary Short term course in on “Indian Knowledge System” and presented a paper titled “भारतीय ज्ञान प्रणाली की नई शिक्षा नीति में आवश्यकता” in Govt P.G College, Ambala Cantt, dated January 23-31, 2024

Dr. Sandeep Kumar (Assistant Professor) attended a Seven-Day Multi-Disciplinary Short term course in on “Indian Knowledge System” in Govt P.G College, Ambala Cantt, and dated January 23-31, 2024

Dr. Tanjum Kamboj (Assistant Professor) Attended a Seven-day Multi-Disciplinary Short term course in IKS on “Indian Knowledge System and Indian films” organised by Academic & Research Development Cell in Govt PG College, Ambala Cantt, dated 23-31, 01-2024. Delivered lectures as an Expert on “Social Media and its Vital Facts” and User-Generated Content Vis-à-vis Social Media Ethics on 03.10.2023 in five days Training Programme and second lecture on Time and Stress Management” on 20.11.2023 in five days Training Programme organised in Physical mode by CCS Haryana Agricultural University, Extension Education Institute, Ministry of Agriculture & Farmers Welfare, Government of India, Nilokheri

Department of Economics

Dr. Sharmila Ahlawat (Associate Professor) had published one chapter in an edited book titled ‘Indian Economic Issues and Policies’. Attended three International conference & presented two papers in international conference.

Dr. Ombir (Assistant Professor) had published one research paper in book with ISBN number & presented one paper in national seminar.

Dr. Naresh Kumar (Associate Professor) had published three research papers in UGC Care Listed Journals. One book edited & published (National) titled 'Indian Economic Issues and Policies'. Two chapters published in edited book (National).

Department of Tourism

Dr. Rajeev Sharma contributed significantly to research and academic discussions, publishing a paper titled "Farm Tourism Entrepreneurship: Exploring Potential and Prospects in India through a Theoretical Lens" in an edited book. He participated in a Two-Week Refresher Course on Entrepreneurship Development at UGC-HRDC-KUK and a 7-Day Multi-Disciplinary Short-Term Course on Indian Knowledge System at Govt. P.G. College, Ambala Cantt. His research engagement extended to presenting a paper on "Integrating Vocational Education with Traditional Academic Education in NEP 2020" at a National Seminar sponsored by DGHE. Additionally, he attended workshops on Mission Karmayogi, Haryana and Converting Innovation into Startup. On November 6, 2023, he delivered extension lectures on Employment Opportunities in Tourism and Communication Development for Students at Pt. C.L.S. Govt. P.G. College, Karnal.

Dr. Daleep Kumar actively engaged in academic discourse by attending national and international webinars. He participated in a One-Day National Workshop on "Role of Entrepreneurs in Self-Reliant India" and a 7-Day Multi-Disciplinary Short-Term Course on Indian Knowledge System. He delivered an extension lecture on "Role of Tourism Education in Career Building" at Govt. College Aharwala, Bilaspur, Yamuna Nagar. He also presented on "Roadmap towards Education in Tourism under NEP" at a National Seminar at Govt. College Bherian. His academic pursuits included participation in a Two-Week Refresher Course on Entrepreneurship Development at KUK. Additionally, he attended various FDPs, including a five-day FDP on Research Method, Creativity, and Innovation in Academia & Hospitality Industry and an IFDP on Rethinking Teaching Pedagogy in Commerce and Management.

Dr. Shikha Bhatt participated in a UGC-sponsored One-Week Online Short-Term Course on Community Engagement and published a book chapter titled "Bollywood Induced Tourism" in Research Trends in Management. She also attended a One-Day Workshop on Mission Karmayogi, Haryana and presented a paper on "NEP-2020 and Hospitality Education" at a DGHE-sponsored National Seminar at Govt. College Bherian.

Department of Music

Mrs. Anju Bhardwaj, Assistant Professor in Music Vocal attended one Day Training of "Mission Karmayogi Haryana" on 26-6-2024 at Govt. Sr. Sec School, Baldev Nagar, Ambala City.

Department of Computer Science

Sh. Ashok (Assistant Professor) successfully completed an Online Two-Week Interdisciplinary Refresher Course/FDP in Computer Science (Feb–Mar 2024) with Grade A+, organized by Ramanujan College, University of Delhi. He presented a research paper titled "Skill Development Initiatives and Their Impact on Employability: A Comprehensive Research Analysis" at a National Seminar on Rural Development at Govt. College Barwala (Jan 2024). He also participated in a Workshop on "Converting Innovation into Startup" (Aug 2023), attended a Ten-Day Skill Enhancement Course on "Data Analytics using Machine Learning" (Oct–Nov 2023), and a One-Day Karmayogi Workshop (June 2024). Additionally, he completed a Seven-Day Multi-Disciplinary Short-Term Course on Indian Knowledge System (Jan 2024). Ashok received a Letter of Appreciation from Govt. College, Naraingarh for serving as a judge at IT-Fest "Tech Srishti" (Sep 2023). He was appointed as the Nodal Officer for Aadhar-Enabled Biometric Machines at his college and played a key role in initiating an MoU between Govt. PG College, Ambala Cantt, and CodroidHub Pvt. Ltd., Patna, for which he received a Letter of Appreciation from the Director of CodroidHub. He also coordinated the development, uploading, and maintenance of the college websites during the 2023–24 academic session. Additionally, he served as Sector Officer and Magistrate for Strong Room Management during the Lok Sabha Elections 2024 in the Ambala Constituency. He was also successfully empaneled as an Academic Counsellor for the BCA Program at IGNOU Study Center, Govt. PG College, Ambala Cantt. Ashok has several publications in peer-reviewed journals, including "Internet of Things (IoT): A Comprehensive Review, Emerging Trends, and Future Directions" and "AI in Rural India: Navigating Challenges, Embracing Opportunities", both published in the International Journal of Engineering Science and Humanities (May 2024). Additionally, his paper "Taxonomical Classification of Web Applications: A Comprehensive Analysis" was published in the International Journal of Intelligent Systems and Applications in Engineering (Nov 2023). He has also contributed multiple book chapters, including "ICT Decision Making in Organizations: Strategies and Implications", "Transformative Strategies in the Digital Era: Navigating the Landscape of Digital Business Innovation", and "The Catalyst of Innovation: Exploring the Role of Artificial Intelligence in Business Practices",

published in various academic books between 2023 and 2024. In addition to his academic achievements, Ashok has four patents published in 2024, titled "AI-Based System for Post-Earthquake Response", "AI-Powered Driver Drowsiness Detection System", "AI-Powered System for Pollution Forecasting", and "AI-Powered System for Using Social Media Data to Improve Earthquake Forecasting and Response".

Ms. Dimple Rani (Assistant Professor) has made significant contributions in research and innovation. She published a research paper, "Taxonomical Classification of Web Applications: A Comprehensive Analysis", in the International Journal of Intelligent Systems and Applications in Engineering. Additionally, she published four patents, including "AI-Based System for Post-Earthquake Response" and "AI-Powered Driver Drowsiness Detection System" in the Patent Office Journal (2024). She also authored a book chapter on "Impact of NEP 2020 on Rural Colleges and Universities" in Rural Development in India: Challenges vs Opportunities. She has completed a two-week online refresher course on "Computer Science" and attended an FDP on "Python with Data Analytics". She presented papers at several conferences, including "Exploring the Interplay of Research Methodology & Statistical Analysis" at an international conference and "Impact of NEP 2020 on Rural Colleges" at a national seminar. Moreover, she attended a "Data Analytics Using Machine Learning" course and participated in workshops on "Converting Innovation into Startup" and "Karamyogi."

Ms. Manisha Saini (Assistant Professor) has contributed to both research and innovation, with notable achievements including the publication of a research paper on "Taxonomical Classification of Web Applications: A Comprehensive Analysis" in the International Journal of Intelligent Systems and Applications in Engineering. She also published four patents, such as "AI-Based System for Post-Earthquake Response" and "AI-Powered Driver Drowsiness Detection System", in the Patent Office Journal (2024). She co-authored a book chapter on "Impact of NEP 2020 on Rural Colleges and Universities" in Rural Development in India: Challenges vs Opportunities. Additionally, she completed a two-week refresher course in Computer Science and presented a paper on "Impact of NEP 2020 on Rural Colleges" at a national seminar. She attended a "Data Analytics Using Machine Learning" course and participated in workshops on "Converting Innovation into Startup" and "Karamyogi."

Department of History

Dr. Atul Yadav is a distinguished academician and researcher in the field of history. He is currently serving as a Member of the Academic Council of Kurukshetra

University (2022-2024) and holds significant positions in research development committees of esteemed institutions, including Baba Mastnath University, Asthal Bohar (Rohtak), and Singhania University, Pachheri Badi (Jhunjhunu), Rajasthan. His contributions to academia include evaluating Ph.D. theses and conducting viva voce examinations for multiple universities, such as Awadhesh Pratap Singh University, Rewa (Madhya Pradesh), Baba Mastnath University, and Singhania University. Dr. Yadav is also a prolific author, having published several books, including Haribhoomi: Haryana Ka Sanskritik Parichay-I (2023), Haribhoomi: Haryana Ka Sanskritik Parichay-II (2023), and Nirmal Haryana (Haryana Ek-Haryanvi Ek) (2024). His research papers have been featured in reputed national and international journals, covering topics such as historiography, political administration under British rule, and contributions of historical figures like Raja Mahendra Pratap and Subhash Chandra Bose. Beyond his publications, Dr. Yadav has actively participated in numerous national and international seminars as a resource person, presenting insightful research on diverse historical and socio-political themes. He has delivered lectures on topics like Dr. B.R. Ambedkar's vision, Chhotu Ram's role in industrial development, and the Indian education system's military heritage. He has also chaired technical sessions in various academic forums.

Department of Hindi

Sh. Suresh Kumar participated in a seven-day Multi-Disciplinary Short-Term Course on Indian Knowledge System (Jan 2024) and presented a research paper on Hindi Bhasha Ka Vikas. He attended a National Workshop cum Seminar at SD College, Ambala Cantt (Aug 2023). He presented research papers at an International Seminar at GMN College (Jan 2024), Arya Girls College (Feb 2024), and a National Seminar at Guru Nanak Girls College, Yamuna Nagar (March 2024) on various topics related to Hindi language and literature.

Sh Gulab Singh completed a Multi-Disciplinary Short-Term Course on Indian Knowledge System (Jan 2024). He presented research papers at an International Seminar at GMN College (Jan 2024) and participated in an International Seminar at Arya Girls College (Feb 2024). Additionally, he presented a paper on Dalit Aatam Kathaon Me Yatharth Vadi Chetna at a National Seminar at Guru Nanak Girls College, Yamuna Nagar (March 2024).

Dr. Ritu Rani participated in a Multi-Disciplinary Short-Term Course on Indian Knowledge System (Jan 2024). She presented a research paper at an International Seminar at GMN College (Jan 2024) and attended International and National

Seminars at Arya Girls College (Feb 2024) and Guru Nanak Girls College, Yamuna Nagar (March 2024).

Dr. Manjeet Kaur completed a Multi-Disciplinary Short-Term Course on Indian Knowledge System (Jan 2024). She presented a research paper at an International Seminar at GMN College (Jan 2024) and participated in International and National Seminars at Arya Girls College (Feb 2024) and Guru Nanak Girls College, Yamuna Nagar (March 2024).

Ms. Rita Tandon presented a research paper at an International Seminar at GMN College (Jan 2024) and participated in an International Seminar at Arya Girls College (Feb 2024).

Department of Commerce

Dr. Shagun Ahuja has contributed extensively to research, publishing multiple papers in reputed journals and edited books. Notable publications include studies on competency-based HRM, financial inclusion in MSMEs, virtual organizations, role analysis in HRD, corporate culture, and consumerism in the digital age. She has also authored several books on Human Resource Development, Career Planning, and Research Methodology, published by Kalyani Publications and Nation Press. She has presented papers at various national seminars on topics such as women entrepreneurship, rural development, and virtual HRD. Additionally, she has served as a resource person, delivering 12 extension lectures for M.Com students under the Distance Learning Education Program at Kurukshetra University. Dr. Shagun has attended several professional development workshops, including those on Research Methodology, National Education Policy 2020, Financial Awareness, and the Haryana Karamyogi Program.

Dr. Usha Chahal has actively participated in research-oriented workshops and seminars. She attended a workshop on converting innovation into startups and a two-day Research Methodology workshop at Government P.G. College, Ambala Cantt. She has also presented papers on business ethics, green entrepreneurship, and waste management at multidisciplinary national and international seminars. Her research publications cover diverse topics, including gender sensitization, ethical research practices, stakeholder roles in research design, and functional food sustainability. She has contributed to edited books on research methodology, gender equality, and artificial intelligence in education and business.

Dr. Poonam Rajora delivered an extension lecture on Atmanirbhar Bharat during the Seven-Day NSS Camp in March 2024. She has published research in Scopus

journals, including a study on Haryana's startup ecosystem. Her work on micro and small enterprises appeared in an edited book on Indian economic issues. She authored Global Business Environment (2024) for M.Com students. She attended workshops on research methodology, Vedavyaas Restructuring, and entrepreneurship. She presented papers on green entrepreneurship, strategic management in sports, and MSME ecosystems at international conferences. Recognized for academic and administrative excellence, she received multiple appreciation certificates, including from the District Administration of Ambala and the Honorable Education Minister. She also completed training under "Mission Karmayogi Haryana" in June 2024.

Mr. Anil Kumar attended an international e-conference on skill development in January 2024 and a national workshop on entrepreneurship in March. He served as a judge for a state-level commerce competition in April and completed Haryana Karmayogi training in June 2024.

Dr. Naib Singh received the "Nation Builder Award 2023" from Rotary Club Ambala and the "Chanakya Award" from ICERT-USA for contributions to education. He published books on "Consumer Behavior*", "Principles of Marketing*", "Industrial Relations*", and "Artificial Intelligence in Business". His research on financial inclusion, corporate culture, consumerism, and entrepreneurship appeared in UGC Care and peer-reviewed journals. He served as a paper setter for Maharishi Markandeshwar University and organized a five-day Youth Red Cross Training Camp, earning a "Best Counselor" award. He also participated in research-oriented conferences and completed "Haryana Karmayogi" training in June 2024.

Dr. Ravi Kant evaluated Ph.D. theses and conducted Ph.D. RDC at NIILM University, Kaithal. Delivered expert talks at Rajiv Gandhi Govt. College (Saha) and Jyotiba Phule Govt. College (Radaur). Appointed as a paper setter and external examiner for multiple universities. Attended training programs, including Mission Karmayogi Haryana and UGC's Community Engagement course. Presented research on digital finance at a national seminar. Organized a two-day national exhibition, voter ID drive, and multiple workshops on higher education, career opportunities, and financial awareness. Judged competitions in poetry, declamation, nail art, and singing. Successfully hosted a five-day Youth Red Cross Training Camp, an annual athletic meet, and an eye checkup camp.

Dr. Anuradha completed a seven-day short-term course on the Indian Knowledge System. Presented research on networking, innovation, and financial inclusion at national and international conferences sponsored by ICERT and ICSSR.

Ms. Sujata presented research papers on rural women entrepreneurs, social entrepreneurship, and green entrepreneurship at national and international seminars. Published a book chapter on research ethics. Completed a two-week refresher course on Research Methodology and Academic Writing.

Ms. Monika Sharma presented research on Green Entrepreneurship and Intellectual Property Rights at national and international conferences. Published a research paper on Research Design. Completed a refresher course on research methodology. Attended workshops on research methodology, startups, and venture funding.

Sh. Lucky Verma actively participated in academic and research activities in 2024. He attended a 7-day Short-Term Course on the Indian Knowledge System at Government P.G. College, Ambala Cantt (23rd-31st January 2024). He presented research papers on Green Banking Practices in Indian Green Banking at SMT A.A.A. Government P.G. College, Kalka (22nd-23rd February 2024) and Role of G20 Summit in Growth of Indian Economy at MDSD College, Ambala City. His engagement highlights his dedication to academic excellence and research in diverse fields.

Ms. Prabjot presented papers on Innovation & Technology in HR at an international conference and Indian Knowledge System in Boosting Economy at a multidisciplinary short-term course.

Ms. Shweta presented research on Social Entrepreneurship and Green Entrepreneurship at national and international seminars.

Dr. Anjna Rani participated in a seven-day short-term course on the Indian Knowledge System and presented research on Vedic Ventures in Business and GST Evaluation in India. She also published research papers on Green Marketing and AI in Accounting & Auditing.

Ms. Navita Rani published a book chapter on Digital Payments in India's Future and completed a short-term course on the Indian Knowledge System.

Ms. Shilpa Rani was awarded a Ph.D. on Priority Sector Lending by Indian Commercial Banks. She completed a short-term course on the Indian Knowledge System and presented research on Entrepreneurial Ecosystem, Corporate Governance in Banks, and Fintech & Financial Inclusion at national and international conferences.

Ms. Mona Saini published a book chapter on Digital Payments in India's Future and completed a short-term course on the Indian Knowledge System.

Ms. Rekha delivered an extension lecture on the Five Elements of the Human Body in an NSS camp and presented research on the same topic in an international conference. She also presented a paper on Digital India and judged an article writing competition. She completed a short-term course on the Indian Knowledge System.

Ms. Nisha presented research on Indian Knowledge System, Social Media Marketing, Green Marketing, and Blockchain Technology at various conferences. She received a Best Presentation award at an international conference and published a research paper on Customer Relationship Management in Banking.

Department of Chemistry

Dr Deepak Sharma (Associate Professor) has actively participated and successfully completed Haryana Karmayogi programme on June 26, 2024 organized by HIPA Haryana under Mission Karmayogi Haryana in Govt. Sr. Sec. School Baldev Nagar. He has published two chapters in International Book on Recent Development in Science and Technology for Sustainable Future, 2024.

Dr. Abha Chaudhary (Assistant Professor) actively engaged in academic and research activities in 2023-24. She participated in the NSS Day Celebration at Kurukshetra University (23rd Sept 2023) and presented papers on National Education Policy-2020 in Science Education at Govt. College Bherian (4th Nov 2023) and Indigenous Knowledge of Traditional Medicinal Plants of Haryana at a Short-Term Course on the Indian Knowledge System (23rd-31st Jan 2024). She attended workshops on Research Methodology (23rd-24th Nov 2023) and NSS Training (28th Nov 2023) and completed a UGC-sponsored Short-Term Course on Community Engagement (4th-9th Dec 2023). She served as a judge at the KVS Regional Bal Vigyanik Pradarshni (22nd Dec 2023) and presented a paper on Palladium Nanoparticles as Catalysts at a National Seminar on Environmental Sciences (9th April 2024). Additionally, she completed the Haryana Karmayogi Programme (26th June 2024) and published two book chapters in Recent Developments in Science and Technology for a Sustainable Future (2024).

Department of Physics

Dr. Alka has published chapters in Indian Economic Issues and Policies and Advancement in Physical Science. She also authored a book for B Sc I Physics in line with NEP 2020. She attended a workshop on “Converting Innovation into Startup” and presented posters at National Seminars on Space Technology and Non-Linear Optics. Additionally, she participated in the Regional Meet of Institutions' Innovation Council and a National Workshop on Artificial Intelligence in Physics.

Dr. Priyanka published a research paper on Lattice Dynamics Study of Gold Nanotube (J. Phys.: Conf. Ser.) and a book chapter on Computational Approach for Simulation Study at Nanoscale. She received a certificate of appreciation for mentoring and judging Science Exhibits at KVS Regional Level Bal Vigyanik Pradarshni (Dec 2023) and contributed as a resource person in a school activity (March 2024). She attended FDPs on Research Writing & LaTeX (Dec 2023) and Indian Knowledge System (Jan 2024), participated in the Artificial Intelligence Awareness in Physics workshop (Feb 2024), and presented research at various national and international conferences.

Dr. Harneet Kaur presented research on Optical Rogue Waves and Climate Change at national seminars and Smart Sports Equipment at an international conference. She published a book chapter on PT Symmetry in Nonlinear Optical Waveguide. She attended FDPs on Research Writing & LaTeX (Dec 2023) and Indian Knowledge System (Jan 2024). She also participated in the IIC Regional Meet (Nov 2023) and received recognition for mentoring and judging science exhibits at KVS Bal Vigyanik Pradarshni (Dec 2023).

Mrs. Neelam attended workshops on Self-Reliant India's Chandrayaan (Sep 2023) and a national seminar at GGDSD College (Oct 2023). She completed FDPs on Research Writing & LaTeX (Dec 2023), Advanced Pedagogical Techniques (Jan 2024), and Indian Knowledge System (Jan 2024), where she presented on Ancient Indian Contributions to Science. COLLEGE OFFICE

The College boasts a dedicated Ministerial Staff comprising 20 individuals, with Ms. Sunita Saini, Deputy Superintendent, at the helm, overseeing the overall functioning of the Office. This team includes 15 regular staff members and 5 contractual employees. Additionally, the College provides learning opportunities to Apprentice Staff within the Office, contributing to their professional development.

We extend our heartfelt appreciation to the Department of Higher Education, Haryana, for their invaluable guidance, support, and direction in policy matters. Their financial assistance in the form of grants enabled infrastructural improvements and facilitated the successful execution of various activities and functions, essential for the overall growth and development of the institute.

I am deeply grateful to both the teaching and non-teaching staff for their unwavering dedication and sincere cooperation, which are instrumental in ensuring the smooth functioning of the College. Furthermore, I extend my heartfelt congratulations to all my colleagues and students for their remarkable achievements in their respective fields during the session 2023-24. Together, we celebrate these accomplishments and look forward to continued success and excellence in the future.
