## Report on Educational Visit to Smart Bazaar

**Date of Visit:** 11th April 2025

The Department of Commerce and Management, Govt. P.G. College, Ambala Cantt., under the guidance of Principal Prof. (Dr.) Des Raj Bajwa, organized a field visit to Smart Bazaar, one of the city's prominent retail outlets, on 11th April 2025. A group of 64 students, accompanied by four faculty members—Dr. Usha Chahal, Dr. Anuradha, Dr. Pradeep Kumar, and Ms. Monika Sharma—participated in the visit.

The primary objective of this educational trip was to provide students with insights into the functioning and management of a large-scale organized retail store. During the visit, students explored various operational aspects of the store, including product display, pricing strategies, customer service, and the sales process. They had informative interactions with the store manager, Mr. Tarun Kumar, and other staff members, who helped them understand the daily operations and challenges of managing a retail outlet.

This visit offered a valuable experiential learning opportunity, enabling students to acquire practical knowledge of self-service retailing, product logistics, and store layout strategies. It effectively bridged the gap between theoretical classroom concepts and real-world retail practices, greatly enriching the students' academic understanding.
