### About the Program

The Environment Awareness – Day Long Bazaar is an innovative initiative by the Higher Education Department, Panchkula, aimed at promoting environmental consciousness and sustainable living. This one-day community event brings together students, youth, and faculty to learn about the importance of conserving forests, reducing pollution, and mitigating climate change. The program includes workshops and creative activities such as making eco-friendly products, best-out-of-waste displays and awareness campaigns. It focuses on encouraging behavioural change at the individual level, motivating people to adopt environment-friendly practices, and providing opportunities for active participation in environmental protection. As part of this campaign, 'Dumpster to Decor' is going to be organised by Govt. PG College, Ambala Cantt. under the aegis of Directorate Higher Education, Haryana.
